

Fall Canvas and Sail Service

•Refurbish your custom canvas items for a fraction of the cost of replacement. Often, a face lift is all that is needed to make them look years newer and last longer.

•40 gauge double polished sheet glass or 60 gauge poly carbonate used on all glass replacement jobs for better clarity and longevity.

- Expert repair and alteration
- Dodger / Enclosure glass replacement and stitching.
- Sail washing (includes free inspection and storage).
- Waterproofing available for your biminis and canvas items.
- Pick up and delivery available.

Visa , MasterCard accepted

Please let us know if we can be of service to you.
